Evergreen, CO (Sept. 26, 2016) – Berkshire Hathaway HomeServices, part of the HSF Affiliates LLC family of real estate brokerage franchise networks, today announced that Interco Real Estate Services of Evergreen has joined the network operating as Berkshire Hathaway HomeServices Elevated Living Real Estate.

Having served the Evergreen and greater Denver area for more than 10 years, the brokerage is already widely known as a deeply committed member of the local community and a go-to resource for a variety of real estate needs – from helping families put down roots with a primary residence to supporting those looking for a second home or part-time retreat.

“Evergreen is a unique place with a true sense of community and connection,” said Mark Footer, Broker/Owner of Elevated Living Real Estate. “We are excited to bring the prestigious Berkshire Hathaway HomeServices brand to our town and we could not think of a better network as we work to continue providing the exemplary customer and community service we’re known for.”

As the first real estate brokerage in Jefferson County to join the network, Elevated Living Real Estate will expand the network’s existing presence in the greater-Denver area. Berkshire Hathaway HomeServices is America’s fastest-growing brokerage network with more than 42,300 agents in 47 states named to the brand since its launch three years ago.

“With Evergreen being an appealing market for home buyers who remain connected to the greater metropolitan Denver area, our new relationship with a large brokerage network such as Berkshire Hathaway HomeServices will allow us to elevate our services to better serve our growing community and clients,” said Footer.

Gino Blefari, Berkshire Hathaway HomeServices CEO, welcomed Footer and his company to the brand. “We are pleased to welcome Elevated Living Real Estate to our growing network,” said Blefari. “Mark and his agents are trusted professionals with a strong reputation in the Evergreen community for years and we look forward to having them as part of the team.”
