TERRE HAUTE, IN (March 19, 2015) – Berkshire Hathaway HomeServices, part of the HSF Affiliates LLC family of real estate brokerage franchise networks, today announced that Prudential Newlin-Johnson, REALTORS® has joined the network operating as Berkshire Hathaway HomeServices Newlin-Miller, REALTORS®.

“We are excited about our Berkshire Hathaway HomeServices transition,” said Chip Miller, managing broker, whose full-service brokerage serves the Greater Terre Haute region. “The network fresh, intelligent, and built on the values of trust, integrity, stability and longevity. Our team is proud to represent this brand,” he explained.

Berkshire Hathaway HomeServices has grown to nearly 35,000 agents and 1,100 offices operating in 47 states since its launch in September 2013. The network last year was named “Startup of the Year” among entrants from a wide range of U.S. industries in the American Business Awards Stevie Awards competition. The brand already enjoys a strong presence in Indiana and the upper Midwest, which benefits Newlin-Miller, REALTORS®.

Miller, who has been with the brokerage since 1991, said Berkshire Hathaway HomeServices’ momentum and heritage helped influence the decision to join the brand. “The network’s namesake is Berkshire Hathaway Inc., one of the world’s most trusted and respected corporations,” he explained. “Our diverse mix of clients and business alliances are all looking forward to seeing our new Cabernet and Cream yard signs at their properties and throughout the marketplace.”

With the transition, Newlin-Miller, REALTORS® agents gain access to Berkshire Hathaway HomeServices’ Global Network Platform – a suite of online tools, applications and services – plus ongoing business consultation, professional education and marketing support. Resources include powerful lead generation, a handy mobile app and more.

“We are proud to welcome Newlin-Miller, REALTORS® to Berkshire Hathaway HomeServices,” said Gino Blefari, CEO of HSF Affiliates. “The brokerage has over 80 years of history in the market and
