Brokerage Celebrates Berkshire Hathaway HomeServices' Show Sponsorship and its 'Love Your Home' Consumer Sweepstakes

INDIANAPOLIS, IN (June 15, 2017) – Berkshire Hathaway HomeServices Indiana Realty and Mina Starsiak and Karen E Laine, stars of HGTV's new hit series *Good Bones*, gathered recently in their shared Fountain Square District neighborhood to talk real estate and celebrate.

Berkshire Hathaway HomeServices is a sponsor of *Good Bones*, whose hosts renovate homes in Fountain Square and Bates Hendricks areas near Indianapolis. This includes Berkshire Hathaway HomeServices' Love Your Home Sweepstakes with \$80,000 in cash prizes, and a \$50,000 grand-prize winner who will be announced in mid-July 2017. Indiana Realty, which operates in these neighborhoods and throughout Central Indiana with 16 offices, welcomed the show hosts for an afternoon of story-telling and discussion of local real estate and renovation trends.

"It was great that so many of our agents were able to meet Mina and Karen, ask questions about the show and take a few pictures with them," said Craig West, Indiana Realty's chief operating office. "Good Bones is a terrific show that's helping the resurgence of historic neighborhoods right in our own backyard. That's a great match for our brokerage and agents."

Mina and Karen, the daughter-mother duo also known as "Two Chicks and a Hammer," joined West on stage at The Hi-Fi to answer questions from agents. They discussed renovation projects and funny stories from their show's first season and gave a sneak peek at season two of *Good Bones*. The two were engaging and funny, just as they are on *Good Bones*, West described.

"Oh, they had us laughing all afternoon," West added. "We all loved talking about real estate and hearing about the show."

Love Your Home Sweepstakes registration continues through 5 p.m. (Eastern) June 16, 2017. West urged Indiana residents to register for the sweepstakes and a chance at the \$50,000 grand prize. "That kind of money would pay for a nice home renovation or a whole lot of other things," he said. "It would be great, and fitting, if the
