IRVINE, Calif., Jun 19, 2014 — Berkshire Hathaway HomeServices, part of the HSF Affiliates LLC real estate brokerage family, today announced it was recognized with a Gold Stevie Award in the Startup of the Year category of the 12th annual American Business Awards presented June 13 in Chicago.

American Business Awards are the nation’s premier business awards program. All organizations operating in the U.S. are eligible to submit nominations – public and private, for-profit and non-profit, large and small. The awards drew more than 3,300 nominations in a wide range of categories; 240 executives worldwide participated in the judging. Startup of the Year category judging considered entrants from across U.S. industries.

“We are pleased and honored to accept the Gold Stevie Award in the Startup of the Year category,” said Berkshire Hathaway HomeServices President Stephen Phillips, who attended the ceremonies at the Fairmont Chicago Millennium Park Hotel. “Our real estate brokerage network has come a long way in a short period of time.”

Berkshire Hathaway HomeServices has grown exponentially since it transitioned its first affiliates in September 2013. As of mid-June, the network counted more than 29,000 agents and 850 offices operating in 42 states. “Our network carries the name of Berkshire Hathaway Inc., one of the world’s most trusted and respected corporations,” said Phillips. “When you have a really great brand, strong and passionate affiliates and a lot of hard-working people on your team, wonderful things can happen.”

This is the network’s second award in 2014. Berkshire Hathaway HomeServices in March was named “Real Estate Agency Brand of the Year” by consumers in the 26th annual Harris Poll EquiTrend® study.

“It’s an honor for us to recognize and celebrate such an outstanding class of organizations and individuals,” said Michael Gallagher, president and founder of the Stevie Awards. “The judges were especially discerning this year. Winners should be proud that the judges recognized their achievements and their ability to express those achievements in a way that captured the judges’ hearts and imaginations.”
